

## Join Us as We Network Like it is 1905!

*Just like Rotary Founder Paul Harris and his fellow Rotarians did 115 years ago, we will be "rotating" our networking events from office to office in the Chicagoland area!*

### CAM-Unity's Monthly Networking Event

Wednesday, November 17, 2021 | 4:30 - 6:00 pm

Networking & Light Refreshments

**FASTSIGNS® - 1315 S Michigan Ave., Chicago**

CAM-Unity, the Business Executives Association, and the Rotary Club of Chicago are teaming up to host monthly networking events that build solid, long-lasting business relationships here in Chicago.

We are dedicated to serving our business community and fostering fellowship among members and our business guests.

The Rotary Club of Chicago was founded in 1905 by Paul Harris. He and his fellow Rotarians "rotated" locations for each meeting, hence the name Rotary. CAM-Unity is going back to those roots to help both Rotarians and non-Rotarians continue to build their professional networks.

The collaborative networking efforts of CAM-Unity, the Business Executives Association, and the Rotary Club of Chicago are sure to bring positivity to your business!

Hope to see you at this late afternoon event at FASTSIGNS®
